

VISUAL PLANNING CORP. now offers you the **Full line of Military & Tactical CYALUME Glow Lightsticks.**

Cyalume is the World Leader in **Chemiluminescent Light** for over 40 years. These chemical lights are patented and now use phthalate-free formulation for all their Chemlight products. They are non-flammable both before and after activation, maintenance free, non-toxic, and waterproof. They also produce no sparks or flames. All our products meet Defense Logistics Agency (DLA) and NATO Maintenance and supply Agency (NAMSA) specifications. National /NATO stock numbers (NSN) are printed on each military-spec product. Our minimum orders for these are only \$100.00. For **full description & specifications** please see the Product catalog herein or request PDF sheet from our Offices.

Visual Planning Corp. Canadian & US Government prices as of February 1,2012

(Prices subject to change without notice) **Please note: Less than full case quantities can be ordered, but prices may be higher.**
